Coordinator's Update

Hello everyone!

I want to first thank the Lord for all of the help that God has been introducing to Foothills Service Project. Whenever I first started, Burke County residents were having to go to Caldwell, Catawba, and Alexander counties to complete a majority of the projects. Since that time, new churches such as Day 3, FBC Granite Falls, and Clover have joined our Foothills Family. Then, whenever a project arose in Alexander County, their Baptist Association stepped up and handled it! It's been a blessing meeting all of the new faces, but they could never replace those that have always been faithful to serving our communities. Praise the Lord for His working through His people!

Your brother in Christ,

A Note From Our Director

Hello to all my brothers and sisters in Christ! January and February were filled with what I call “Burke County Blizzards”, cold rain is what most of you call it. Even with all the bad weather, you guys showed up to help your neighbors in need. We completed 15 projects in January and 16 projects in February. There were weeks that I saw the forecast and thought to myself, “God we really need a break from all this rain”, then Sunday would get here and I found myself praising God for all the projects that got completed. We are so blessed to have a God that will take control and get everything done when we let him. I can’t thank all of you enough for your willingness to get out and do the Lords work side by side with us!

Thank you,

Scotty G. Donnelly

Acts of the Apostles 20:35

And I have been a constant example of how you can help those in need by working hard. You should remember the words of the Lord Jesus :‘It is more blessed to give than to receive.’”

More projects with our wonderful volunteers!
