Foothills Service Project

July August 2021

Just a couple of our wonderful volunteer groups from July and August

A wonderful group of youth came from Pennsylvania to help us and our clients out in July!!!

East Valdese Baptist Church completed great projects in both July and August. This church and these people are truly a blessing to Foothills Service Project!!!

Foothills Service Project is a non-profit Christian home repair ministry established for the purpose of assisting elderly or disabled persons in Burke and surrounding counties to make houses dry, safe, and warm.

Scotty G. Donnelly, Executive Director
Andrew Whisenant, Project Coordinator

PO Box 86, Rutherford College, NC 28671

Pictured below is the Interact Club from South Caldwell High School. What a great group of young adults!

Our group of American Veterans complete multiple projects every month. These amazing men have been loyal supporters of Foothills Service Project and the people of our community for twelve years now. They are an invaluable resource for us.

We are so blessed to have El Bethel Baptist Church volunteering with us every month now. These men not only work hard but are a blast to work with!

The men's group from Warlicks Baptist Church have been working with us for several years now and just informed us that they will be building a ramp every week starting in October.

A Note From Our Director

It has truly been an honor to serve our community for the last twenty years as the Coordinator of Foothills Service Project. I look forward to serving with the same passion, love and pride as it's director.

I can only hope and strive to lead our organization and make a positive impact in our community the way R.L. Icard has for the last twenty five years. There is definitely no replacing the founder and only leader Foothills Service Project has ever known but I look forward to trying to live up to his legacy. The first need I will try to tackle in my new role is building up our volunteer base in Caldwell County. Even though we complete up to sixty projects a year in Caldwell County, most of these are completed with volunteers from Burke County. I know the good people of Caldwell County want to serve and help their neighbors but might not know how, so I will be speaking to churches, clubs and schools in Caldwell County to inform them of opportunities to serve with Foothills Service Project. I end by asking for your patience, support and prayers as I start a new chapter in my career and life.

Thank you, Scotty G. Donnelly

Romans 15:1-2

“Those of us who are strong and able in the faith need to step in and lend a hand to those who falter, and not just do what is most convenient for us. Strength is for service, not status. Each one of us needs to look after the good of the people around us, asking ourselves, ‘How can I help’.”
