## Coordinator's Update

Hello everyone!

Thank you all for the support that you have shown through the last 6 months. It's been overwhelming to say the least to see how much God's people have been saying yes to His call! For most of the summer I was building at least 3 ramps a week, with a group or two building without me even being on site! We sure were putting the miles on the trucks! But it was such a blessing to see the smiles and tears as lift chairs were delivered, handrails were installed, floors were replaced, and our signature ramps were built! At least the heat is over for a while. I can't wait to see how we can continue partnering together for 2024!

## A Note From Our Director

Hello to all my brothers and sisters in Christ! Our God is so good! With his guidance, help from wonderful volunteers and your support, we have completed 107 projects from July 1st through December 31. When the calls with needs keep coming in every week, it's easy to start feeling overwhelmed and incompetent but that's when we always hear God's voice saying "I've got this." He amazes me every week with all He can accomplish when we just say yes. I pray all of you will listen when He speaks opportunities into your lives. I thank you all for your support!

Thank you,

Scotty G. Donnelly

Executive Director
