Foothills Service Project is a non-profit Christian home repair ministry established for the purpose of assisting elderly or disabled persons in Burke and surrounding counties to make houses dry, safe, and warm.

Coordinator's Update

Hello everyone!

I'm incredibly blessed to be part of the Foothills Service Project family. One of our more recent projects really meant a lot to me. Jesus told His disciples while having the Last Supper that the world will know that they are His disciples by the love that they have for one another. So whenever FBC Morganton and El Bethel teamed up to serve Arneys Fairview UMC, the last church that RL pastored, there was an extra sense of God's presence. It is an honor whenever we get to come together, work together, fellowship together, and change lives. Thank you for your willingness to be God's hands and feet!

Your brother in Christ,
Andrew Whisenant

A Note From Our Director

Hello to all my brothers and sisters in Christ! God's grace and blessings have been on full display these last two months. Starting in July of this year, Foothills Service Project will be a four county provider! We are so excited to welcome new volunteers and help our neighbors in Alexander County. This is another example that if you love being the hands and feet of Christ that God will bless you with an unlimited supply of opportunities to do just that. Serving another county will require more from all of us so I hope you will consider supporting us even more with our mission by volunteering or contributing financially. I thank you all for your support!

Thank you,
Scotty G. Donnelly
Executive Director

Acts of the Apostles 20:35

And I have been a constant example of how you can help those in need by working hard. You should remember the words of the Lord Jesus : 'It is more blessed to give than to receive.'
