Coordinator's Update

Hello everyone!

What a few weeks! We have been swamped with emergency needs recently, meaning people that have an immediate need in order to come home from hospital care or coming home from a rest home. I want to thank all of our volunteers that have assisted throughout this time, because some groups that don't typically build 2 projects a month stepped up and continued to build. Some volunteers have built each week! It is an honor showing God's love to the people of Burke, Caldwell, and Catawba Counties alongside you. And remember throughout this Christmas season, it's better to give than to receive, so keep giving the love of Jesus by serving Him and our neighbors!

A Note From Our Director

Hello to all my brothers and sisters in Christ! God has blessed us these last two months with many people in our community needing our help and blessed us even more with volunteers who wanted to repay his faithfulness and grace by helping those in need. I wish everyone could experience the overwhelming confidence in God we feel everyday at Foothills Service Project. We give God control and he continues to bless us more than we could even think to ask for. We see peoples lives changed every week from clients being able to get in or out of their own home when they couldn't before, to volunteers realizing just how capable they are to help a neighbor. Fall is always a season of change. The world around us starts changing color as green leaves turn orange, red and yellow before falling to the ground leaving the trees bare. How wonderful it is to know that we have a God that never changes. He is good all the time and his love for us never wavers!

Thank you,

Scotty G. Donnelly

And I have been a constant example of how you can help those in need by working hard. You should remember the words of the Lord Jesus : 'It is more blessed to give than to receive.'

More projects with our wonderful volunteers!

So blessed
to get to
work with
God filled
Volunteers!
